By a thorough knowledge of the natural laws which govern the operations of direction and nutrition, and by a careful application of the fine properties of well-selected Goven. Mr. hypa has provided our breakrast takies with a delicately finaured beverage which may save us many heavy doctors built. It is by the indictious use of such articles of diet that a constitution may be gradually built up until strong remuch to resist every tendency to disease. Hundress of subtle maindies are deating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a preperly nourished frame. "—Civil Service Gazette.
